Education

Bachelor of Computer Applications (BCA)

2022 - 2025

- Percentage : 82%
- Shri Gnanambica Degree College, Madanapalle , Andhra Pradesh

Intermediate

2020 - 2022

- Percentage : 89%
- Shri Gnanambica Junior College, Madanapalle

Internship Experience

Python Full-Stack Web Development Intern

Apr - Nov 2025

G - TEC JAINx Education, Bengaluru

- Gained hands-on experience in developing full-stack web applications using Python, Django, Flask, JavaScript, React, and REST APIs.
- Worked on both frontend and backend development, including building responsive UI, implementing server-side logic, and integrating APIs.
- Collaborated in an internship environment to follow best practices in coding, debugging , and version control using Git and GitHub.

Projects

Library Management System

- Developed a full-stack web application for managing books and authors, With role-based authentication for users and admins.
- Implemented CRUD operations using Django ORM, created and tested REST APIs using Postman, and utilized Django Admin for backend management.

Image Converter App

- Developed a image conversion web application that allows users to upload JPEG images and convert them into SVG and PDF formats.
- Built the backend using Flask, handling image processing, file conversion logic, and generating downloadable output files through secure REST API endpoints.
- Enabled users to download converted images instantly in the same session with proper error handling and validation.

Order Management System

- A Django-based web application that allows users to create, view, update, and delete order records.
- The project demonstrates complete CRUD functionality using Django Models, Forms, and Template rendering.

Skills

- Programming Languages : Python , JavaScript , SQL , React.js , HTML
- Frameworks & Libraries : Django, Flask, NumPy, Pandas
- Databases : MySQL , MongoDB
- Tools & Technologies : Git, GitHub, VS Code, Postman

Certifications and Achievements

- Python Full-Stack Web Development Certification - Sri Vensy Technologies, Tirupati
- Infosys Springboard – Pragati Cohort 5 Certification - Infosys
- Codethon Certification - Third Prize Winner, Shri Gnanambica Degree College
- Certification on Employability skills conducted by Mahendra Pride Classroom , Naandi Foundation
